You can see app installation process and user experiences on mobile phones and tablets. You can read our articles about software development and computer technologies.The world may be seeing Bitcoin die, but a new way of buying it is taking off: crypto exchanges, which many refer to as the dark side of the Bitcoin world. The first of these is a place called Bitfinex, which, in essence, is an exchange for buying Bitcoin. It's not a Bitcoin wallet, however. Instead, it lets you purchase Bitcoins with a traditional currency, U.S. dollars, or with the Chinese Yuan. That's a radical development. It's only a matter of time before governments try to crack down on exchanges. That's what happened in the U.S. when they first saw Bitcoin as an illegal currency. But in other countries, like China, exchanges have been a godsend. Bitfinex is part of a new financial system that helps people in China sell Bitcoins, effectively make money from selling Bitcoins, and buy traditional currencies. Bitfinex is now one of the biggest platforms for selling Bitcoins in the U.S. and China, but it's not the only one. Another one is one called Tether. Tether is meant to be a "trustless" way of sending and receiving money. For example, if you send money to someone and they haven't yet

SDR Free EPub To PDF Converter [Mac/Win]

SDR Free ePub to PDF Converter is a handy and user-friendly piece of software created to offer you a simple means of turning ebooks in EPUB format to PDF, making them easier to read and print. Clean and simple looks The interface of the application is quite basic and unimpressive, but its simplicity makes it approachable for inexperienced individuals, as you will not need to go through a lot of trouble to figure it out. The main window allows you to add the files you want to process, while the 'Page Setup' section enables you to configure the output preferences for the PDF. Load the targeted EPUBs and convert them to PDF in just a couple of moves SDR Free ePub to PDF Converter lets you load the targeted ebooks in batch, by browsing through your computer and opening multiple files simultaneously into the program; drag and drop operations are not supported. From the 'Page Setup' section, you can select the preferred size (ranging from A0 to B5) or you can input a custom set of dimensions, in millimeters, for the width and height of the page. You can also opt for an output location, then press on the 'Convert' button. Since you do not have the possibility of deciding the name under which to save the PDFs, make sure you do not save them to a directory where you risk overwriting other files. Nonetheless, the application can inform you if such a file already exists, enabling you to choose between replacing it or not. A handy ebook conversion tool To sum it up, SDR Free ePub to PDF Converter is a useful and effective utility that you can resort to whenever you want to convert your ebooks to PDF format, without having to go through a world of trouble to get the job done. SDR Free ePub to PDF Converter Version: 3.01 Build: 2 OS: Linux Arch: 32bit, 64bit PDF Mime-Type: application/pdf 15 Jul 2014 31 SDR Free ePub to PDF Converter is a handy and user-friendly piece of software created to offer you a simple means of turning ebooks in EPUB format to PDF, making them easier to read and print. Clean and simple looks The interface of the application is quite basic and unimpressive, but its simplicity makes it approachable for inexperienced individuals
