Oscar De La Hoya is demanding to know why Canelo Alvarez is hiding behind the UFC's success. Although he had initially signed a promotional deal with Mayweather Promotions, Alvarez is now partnered with UFC president Dana White and his promotional company, which is based in Arizona. "I've been in the boxing ring and we can go out and make a movie after that. "When he's in boxing shape, let's go. He's a fantastic fighter, but he's been hiding behind the UFC and Dana White.
