Fantasy-themed action RPG where you can become an Elden Lord in the Lands Between. The Territories of the Lands Between were once fair lands where magic flourished; however, the Elden King abandoned them and sealed away the magical gateway. Seventy years later, after waiting in peace for the day to return, the Land Between is in chaos. Elden King's aide-de-camp Ryu has led an honorable army of warriors in search of the land called Elden for seven years. Ryu's convoy has been attacked, and the group has been separated. Ryu manages to leave the group and reaches a town called Ban'tori. He meets a man called King. After the latter's urging, Ryu enters the town of Ban'tori with the man's reluctant consent. Ryu finds the man's sister, Olysse, in Ban'tori who shares a secret with Ryu and has been hoping for his return. She wishes to follow him no matter how difficult the journey, so she gives up her life in this world and enters a magic circle. Ryu is informed that Olysse has reached the goal of becoming an Elden Lord in the Lands Between. The situation where Ryu is separated from his allies but still keeps the hope to go on to the land of Elden is referred to as the Tarnished Covenant. Let yourself be guided by grace as you become an Elden Lord. Rise, Tarnished, and use the power of the Elden Ring to rule the Lands Between. ©2018 Armature Studios LLC. All rights reserved.
