bleeding rocks music clip and lyrics Such a good girl and you probably heard the story And I really wanted to take you on a day trip to a far away place And it might seem that I've known you for a long time And I'm amazed at how good you've become And just saying it makes me happy I've seen the stars go down but I can still catch them again I've been through my share of hard times But I feel strong now Comme une deuxième chance, I guess I'll make us even better Baby I don't want to ever let you go Cause I never felt like this before And, Oh, aye I just can't wait a second more I've been trying not to fall, but I just can't wait a second more I'm pretty sure that you've seen me in my suit And I'm pretty sure that you've seen me at work But in my thoughts I can't stop seeing you And I try not to wait around I don't want to overdo it, I'm pretty sure it's true But in my thoughts I can't stop seeing you Chorus: I know my time with you is running out Let me just touch your skin in the name of love I know that it's too late to tell you this But I'm the best man that you ever could lose And, Oh, aye I just can't wait a second more I believe in love, but I never fully understood What love could do to me When I saw you standing there That night, Oh oh I never wanted to go there. And now I've been there and I know What love can do to you. Chorus Oh, aye I just can't wait a second more (I just can't wait a second more) I'm thirsty, I'm burning, I'm cold Oh, aye I just can't wait a second more. Chorus: I know my time with you is running out Let me just touch your skin in the name of love I know that it's too late to tell you this But I'm the best man that you ever could lose And, Oh, aye I just can't wait a second more I know my time with you is running out Let me just touch your skin in the name of love I know that it's too late to tell you this But I'm the best man that you ever could lose And, Oh, aye I just can
