[15.04.30] KOTFE IS HERE

A Voice Tarnished (ヨバシラ, Yabashira Utatsuki) also known as Kotfe or KotF is a strange entity from a world in the Lands Between, a world ruled over by dragons. This voice, like all the others that was born in the Lands Between, is composed of music that was once a human note. The harmony of the voice places upon its voice the curse of transformation but without weapons, the voice is nothing more than a gentle voice...until it breaks free from that fate, and becomes one with nature.

Here is a new achievement for you. The voice that

greet you in the game or even the voice you have been listening to for days on end starts off small and becomes much more powerful, eventually substituting you. It really does something, and you cannot stop listening to it, can
