These codes are developed by the best team of Senior Game Developers, Game Developers, Programmers, Programmer, Tech Experts and Hardware Enthusiasts who always tried to achieve the best in that is for "white people" who are testing to be customers of Suburban Solar. People should have one roof for all their energy needs. Regardless of how much electricity they need. And never be cut off for non-payment. Of course, this is the article I was referring to. And that is why I am trying to get all our readers to sign this petition at change.org. I have done the same. Please, everyone, please do it. It can make a difference. Bob 'Cajun'<http://www.change.org/p/homes-should-not-be-cut-off-for-non-payment> Improve the quality of these pictures! More focused! More light! More contrast! Different sizes will be used, taking pictures directly from the computer screen. Next time, we will use a different pair of lenses, but the last pair we took we used to do a couple of things, one is improve a bit the quality and contrast, another is reduce the light attenuation. Here, a couple of pictures we have taken. That is for "white people" who are testing to be customers of Suburban Solar. People should have one roof for all their energy needs. Regardless of how much electricity they need. And never be cut off for non-payment. Of course, this is the article I was referring to.
