1. Rise as a Tarnished Lord ◆ Choose a protagonist and strengthen his or her Glory to fight against hordes of monsters in the dungeon ◆ Use element-based skills and equipment to fight in two-on-two, four-on-four or five-on-five battles, and use a variety of tactics to win the battle against increasing hordes of monsters ◆ Explore the various combat situations in the two-dimensional linear map with your AI ally at your side and fight enemies ◆ Increase your ability and equipment to create a powerful character ◆ Bury your cleaver in your enemies to make a blood feast that causes extra effects to strengthen your power 2. Core Game Features ◆ Expanded Story As a new protagonist, you will travel with the Tarnished Lord in the game's original story while exploring the deeper, untold story of the Myth of the Elden Lord (A Goddess' Testament), the story of an ancient hero who sought to revive the goddess' power. This will increase the number of episodes and the amount of content and add new chapters of the story. ◆ Four-Player Co-Op 4 players can battle with AI allies in the online lobby of "Heroes Online." What kind of battle will they face with their allies? Each of the four players can choose to play as their own characters or as an AI partner character. This allows a partner to strengthen his or her own skills and encounter additional challenges in the 2D map. ◆ Special Character Creation Mechanism You can choose your character's appearance and equipment with freely selectable parts, as well as change the body and face in various ways. You can also freely combine the weapons, armor, and magic that you equip. ◆ Additional Battle Systems In addition to the four-player battle, there will be a second player character who controls the same character using the "Battle Mode" function. There will be two additional battle modes, the "Time Battle" mode and the "Witch's Battle" mode. ◆ Value-Added Online Content Online Content that increases your ability, such as the "Hero's Gear" that increases the strength of your weapons and the "Body Skill" that improves your endurance and the "Special Skill" that increases the odds of critical hits will be added in the future. ◆ Unlimited Potential for Interaction There is a lot to discover through your development, including the creation of alliances and the procurement of various equipment
