#### What's new:

- **Matchday** - Play as any of over 700 teams from 22 different football leagues, or compete in real-life Heuer FIM World Championship competitions from summer 2011.
- **HyperMotion Technology** - FIFA 22 uses "HyperMotion" to put Real Player Animation (RPA) into games. Utilizing Real Player sensation camera and recorded trajectories and movements, FIFA 22 features a new immersive engine that puts you directly into the action.
- **New 'fusion' strategy** - Create the ultimate team using real people. Over 700 teams, performance-boosting tactics, and iconic players have arrived to FIFA 22.
- **New 'star cards'** - The "star cards" system rewards your player performance by awarding players with star cards that are tied to real life statistics. Adds a new layer of strategy and customization to the game.
- **New offensive tactics** - Perform precise dribbling and passing of your teammate, and shoot for a real-life centric high-percentage system.
- **Oboe "Dimelösis"** - The Pro Evolution Soccer 2017 drum kit returns to FIFA 22. The game will be the first in the FIFA series to feature the 6-DJ OmniSound 2.0 audio engine.
- **New lighting effects for stadiums** - Take a photo of your ideal stadium and watch as new lighting effects, shown in real-time, are brought to life.
- **New 'RePassing' system** - Authentic pro-level defensive tactics are implemented in FIFA 22. RePassing means learning pass-by reactions and 'escape' moves to defend break-downs.
- **International Teams**
- **UEFA European Championship and FIFA World Cup**
- **U20 FIFA World Cup**

**Football. That's all. FIFA is a game where you create your own player, take him on and manage a football team. Taking the most passionate football fans of any generation, FIFA is the world's first football game that truly captures the drama, passion and history of the beautiful game. It's a true celebration of football that brings all the world's great clubs and leagues together. What's new in FIFA? FIFA 21 brings a new way to play that's driven by the interactions of players and football, rather than a predefined path. This creates new ways to play and new ways to win. What are "Powered by Football" and "Innovation"? These two phrases are our way of saying "we're listening to what you want to see in a football game" and "we're taking these ideas and developing them into a full game." Read on to find out more about the innovations coming to FIFA. The Experience Dynamic and Interactive Powered by Football The Experience is the heart of FIFA. It's the first football game that truly captures the drama, passion and history of the game. Football unites the world and is at the heart of FIFA. In FIFA, it's more than a sport - it's a religion. And football is now, more than ever, the global game. FIFA is the game you feel when you play. It's the sport that's where history is made and where legends are created. It's the game of the world's best teams and leagues and now the game of your dreams. Who are we listening to? We've listened closely to the feedback we've received from you and millions of other fans across the world and have been working to create a greater, more immersive football experience. Powered by Football As a next-gen console exclusive, the new approach to gameplay brings about a new way to play football with fundamental changes to the way we think about controlling a player - as well as the fluidity of physical movement and the speed with which they react to the game's physics. The on-screen experience is more realistic and the way you move the ball and shoot is freer and more responsive, allowing you to influence your team**
