But it's the middle where the most change occurs. Season Two & Season Three. The first is notable for a significant decrease in the episode count, from 18 to 12, and a notable decrease in the actual number of eps for both seasons. In Season Two, the formula of having two new eps each week is maintained, but only 7 new eps are produced (18-5). In Season Three, the episode count increases again to 14, but only 4 new eps are produced. This is the first recording of the solo version of this song by Barrett in 1968. There is one other recording by Pink Floyd in the Masters' files from April 1969, the album performance (see page 58), which is different in parts (flute interlude, solos, etc.), but based on this recording it is clearly the solo version. There is a recent live recording of the solo Pink Floyd, but this is a bootleg, and they have different lyrics. Here is the first recording of the solo version of this song by Barrett in 1968.
